Ayurveda[i] [1] and Cancer Registration with Dr. Marc Halpern

Cancers are the second most common cause of death in the United States. Patients fear getting it and alternative practitioners fear treating it. In this program you will learn about the most common cancers, come to understand cancer terminology such as staging and become knowledgeable about the choices patients have when considering treatment options. You'll learn where the Ayurvedic practitioner fits into the health care team. And you'll walk away with tools that you can use to support the cancer patient and the healing process.

Refund Policy
The pre-paid special event deposit is non-refundable for any reason. After the “Final Balance Due” date, no refunds will be given for either the deposit or additional money paid toward full tuition (although a student may receive a credit toward the same course in the future). If you are registered for a special event that the College cancels, you will receive a full refund of any fees paid. Sometimes for reasons beyond our control a course or seminar must be canceled. While all efforts will be made to avoid cancellations, the College will accept no liability for student losses that occur beyond deposit or tuition actually paid to the College (e.g., non-refundable airfare, time lost from work, equipment expenses).
