School Performance Fact Sheet 2014-2015

Clinical Ayurvedic Specialist Program

The following information is provided in accordance with requirements set by the California Bureau for Private Postsecondary Education, the agency that grants state approval to the College's training programs.

Enrollment varies each year for the College's programs. Of the students who enroll, some complete the program in the time frame originally intended. Others take longer for a variety of reasons, such as unexpected changes in their personal lives, illness, financial challenges, taking a leave-of-absence, etc. In addition, some students enroll in one of our programs and then transfer to another program, which can delay completion.

Students Completing within Published Program Length – 100% Completion Rate

Calendar Year	Number of Students Who Began Program ¹	Students Available for Graduation ²	Graduates ³	Completion Rate ⁴

¹"Number of Students Who Began Program" is the number of students who began the program who are scheduled to complete the program within the reporting calendar year.

²"Students Available for Graduation" is the number of students who began the program minus the number of "Students Unavailable for Graduation," which means those students who have died, been incarcerated, or called to active military duty.

³"Graduates" is the number of students who completed the program within 100% of the published program length.

⁴"Completion Rate" is the number of Graduates divided by the Number of Students Available for Graduation.

⁵"150% Graduates" is the number of students who completed the program within 101-150% of the published program length.

⁶"150% Completion Rate" is the number of students who completed the program in the reported calendar year within 101-150% of the published program length divided by the Number of Students Available for Graduation in the published program length period. A further description of how these figures are calculated may be obtained from the College.
